3. An update on the investigation into the Magellan home invasion.

****Spoke with the investigator who advised they are still waiting for any DNA hits to come back from the suspect vehicle that was recovered in downtown Oakland****

4. An update on the armed robbery at Montclair CVS @ 2000 Mountain Blvd on Dec 27 — and I believe there may have been a related incident on Thornhill around the same time? (occurred 12/22/20 at 1620 hrs)

****There was video recovered of the suspects and suspect vehicle. The vehicle did not have any license plates; however, the photos of the suspects and suspect vehicle used in the robbery have been sent out to the entire department. OPD is on the lookout for similar vehicles****

5. An update on the armed robbery at Skyline Blvd and Melville Lane, across the street from Redwood Regional Park Entrance, on Dec 24. (occurred 12/24/20 at 1418 hrs)

****Currently the case has not been assigned to an investigator. There were no videos recovered from the scene. The victim did not observe any suspect vehicle.****
